Igboanugwo Collins

FRONTEND DEVELOPER 📍**LAGOS NIGERIA** 📞**+2347068695282**

I am a seasoned Front End Developer with 5 years of experience in blending the art of design with the skill of programming to deliver an immersive and engaging user experience through efficient website development, proactive feature optimization, and relentless debugging.

EXPERIENCE

Full Stack Developer at TeenscanBlog

March 2021 - Present

- Added features, enhanced processes, and refined code, producing streamlined operations and higher user engagement.

- Delivered engaging user experience through optimization of images, code, and cross-browser compatibility, increasing Time on Page by +60 seconds

Freelance Front End Developer

March 2018 - February 2021

- Developed full-stack web applications which processed, analyzed, and rendered data visually

- Managed time-sensitive updates, including content and database changes

- Produced stunning visual elements of web applications by translating UI/UX design wireframes into code while producing high quality, reusable markup using ReactJs

- Built single page applications (SPA), responsive web design, UI using tailwindcss, Reactjs, Redux, and typescript
